Hi Jim,

Hawaii DOH just sent out the draft Honouliuli WWTP permit for public notice (see attached). The letter requires CCH to public notice the permit on November 13th, which means we have until December 13th to provide comments. Please let me know if you have any comments by the first week of December, so that I can compile them into a letter. In the meantime, if you have any questions about the permit, please feel free to stop by or call anytime.

I also expect the draft permit for Sand Island WWTP to follow in the next week or so.
